Proceeds will be split between the Lodi Good Samaritans Food Pantry and Church World Service. Save the date and watch for more information soon! **Please contact John Gladden at 330-591-8926 with questions or if you can volunteer to assist with this event. We could use help with check-in, snacks and a water station at Leohr Park.**

NOTE: STEWARDSHIP SUNDAY will be moved to November 3rd!

Driving through Lodi, I saw a family inflating a number of yard decorations for Halloween. There is a competition for the thirty seconds of coverage by the television news stations. Some homes in Seville participate in this competition. The National Retail Federation reported American family Halloween spending as \$12.2 billion for 2023, the largest on record and 15% more than 2022 (roughly \$3 billion for candy, \$3 billion for decorations, \$3 billion for costumes). Supposedly we will spend a little less in 2024, maybe even 4% less (so only \$11.6 billion).

Today the observance of Halloween is largely nonreligious. Two centuries ago, in England, poor people would visit the houses of wealthier families and receive pastries called soul cakes in exchange for a promise to pray for the souls of the homeowners' dead relatives. Known as "souling," the practice was later taken up by children, who would go from door to door asking for gifts, food or money. All Hallows Eve was the first of a three day celebration followed by *All Saints Day* and All Souls Day. When we become nonreligious we skip All Saints Day and All Souls Day.

The first Sunday of October, we celebrate World Communion and I know it will never become a day of front yard decorations and billion dollar expenditures. I guess World Communion is also a little more serious and less of a party.

October is rich with national days of observation. I am partial to Oct. 1 International Coffee Day and Oct. 2 International Day of Non-Violence. Also mentioned are National Dessert Day, National Caramel Apple Day, World Teachers' Day, World Mental Health Day, Global Handwashing Day, United Nations Day, and three share Oct. 26 National Make a Difference Day, National Hug a Sheep Day and National Day of the Deployed.

Look up your own favorite national observation day and celebrate it. I just suggest yard decorations be displayed in moderation.

What does The United Methodist Church say about immigration? Throughout Scripture the people of God are called to love sojourners in our midst, treating them "as if they were one of your citizens" and loving them as we do ourselves (Lev. 19:33-34)... Welcoming the migrant is not only an act of mission; it is an opportunity to receive God's grace... We call upon all United Methodist churches to welcome newly arriving migrants in their communities, to love them as we do ourselves, to treat them as one of our native-born, to see in them the presence of the incarnated Jesus, and to show hospitality to the migrants in our midst, believing that through their presence we are receiving the good news of the gospel of Jesus Christ. (2016 Book of Resolutions, #3281, "Welcoming the Migrant to the US")

A Prayer Meditation for All Saints Day - November 3, 2024

We give you thanks, O God, for all the saints who ever worshiped you
Whether in brush arbors or cathedrals, Weathered wooden churches or
crumbling cement meeting houses Where your name was lifted and adored.
We give you thanks, O God, for hands lifted in praise: Manicured hands
and hands stained with grease or soil, Strong hands and those gnarled with age
Holy hands Used as wave offerings across the land.

We thank you, God, for hardworking saints;

Whether hard-hatted or steel-booted, Head ragged or aproned,

Blue-collared or three-piece-suited They left their mark on the earth for you, for us, for our children to come.

Thank you, God, for the tremendous sacrifices made by those who have gone before us.

Bless the memories of your saints, God. May we learn how to walk wisely from their examples of faith, dedication, worship, and love.

Both Matthew 25 organizations request board members: Matthew 25 Outreach Center, organizes Food Bank produce distributions in Ashland, Medina and Richland Counties. Mansfield High School first Saturday 10am-1pm, Cloverleaf Elementary second Saturday 10am-1pm, Luray Lanes parking lot fourth Saturday 10am-1pm. In addition to serving thousands of families with produce, hundreds of low income seniors also receive a box of shelf stable food through the federal CSFP. MT25OC board meets six times a year at the Mosaic Church in Mansfield. There is a need for more board members, and additional drivers who will deliver food to seniors.

Matthew 25 Coalition (founded in 2003) is a collaboration of twenty local churches and Lodi Community Hospital, and serves families within 10 miles of Lodi, Ohio. “The coalition provides assistance when all other assistance from other county agencies has been used. Participants may be at risk of eviction; utility shut-off, lack of transportation to work, school, or medical appointments, or may be at risk of going without necessary prescribed medications. The coalition also assists transient individuals with lodging and/or auto-fuel. All requests are screened for legitimate needs and referred to 211 First Call for Help. Only requests that are unmet needs receive assistance.”

Matthew 25 Coalition does not provide food. Board meetings are once a month, Feb to June, Sept to Dec, at participating churches, usually Christ the King Lutheran, First Congregational Lodi, Victory Baptist, Lafayette UMC, Seville UMC, breakfast meeting on Second Thursdays at 8:30am. There is a need for a representative from Seville UMC on this board.

Isaiah 58:10 God's call is to do both! When we feed the hungry, we give of ourselves personally and then our lives shine in dark places. Our needs are also met 'like a watered garden, like a spring of water, whose waters do not fail'

Outreach!!

“I am Blessed” is the month of November.

Rich and Lulu Mroczka are missionaries from Guatemala and were guest speakers this past summer. They expressed the need for ovens in that country and advised that the price of an oven is \$100.00. Our goal at Seville UMC is to buy 10 ovens for \$1,000.00. In November we are planning a collection for the month and hoping you will share your blessings. Thank you so much for your consideration.

United Women in Faith

At the September meeting the women enjoyed an array of salads and desserts during fellowship time. Later Connie Beery and Pam Mullin entertained us with beautiful piano and organ music. Games were also enjoyed by all. Our program for October 15th will be “Sharing Our Best,” by Ginnie Demo. Lea Ewing and Kay Wyant will be the hostesses.

More Things To Know

With fall and winter soon approaching, it is time to consider cleaning out the garage. Here are some helpful tips:

It's pretty common to cringe when you consider cleaning the garage.

For lots of folks, the condition of the garage is a guilty secret. This

can be a big job if you haven't done it in a while, so start with some preliminary recon. Take an inventory of what your garage contains and how you'd like to organize the space. Make a list of things you're planning to pitch. Move from there to stuff you want to give away, like old toys or that exercise equipment that you never use. Your third list should include items that you plan on keeping, but start to see them in relation to the space. Begin at the car entry door and work back. Keep the most useful items, like tools, in front. Anything you won't use for six months or more can be positioned toward the back.

If you know that you still have lots more stuff than your garage can comfortably accommodate, try considering a few creative storage alternatives, like wall shelves or overhead bins. Storage doesn't have to be expensive, and getting things up off the ground will liberate a surprising amount of space. Camping gear, sports equipment, and some larger tools can be affixed to the wall or placed on a high shelf to make getting around easier.

Once you have a plan, pull everything out of the garage into your three piles, sweep or go over the floor with a wet-dry vacuum, and install any shelving or bins. Now, you're ready to start putting away the things you plan on keeping. This chore could easily take a weekend, but after that, maintaining a useful garage will be easy.

Some Reminders:

World Communion Sunday is observed on **October 6th**. Special collection envelopes will be available on this Sunday. Today we emphasize the value of education and training. We commemorate this day by giving generously to support young adults and make a global impact for Christ.

On **October 13th** Methodist Churches celebrate "**Pastor Appreciation Sunday**." Join us as we express our gratitude for the reverends at our church.

We already observed **Laity Sunday on September 15th this year instead of October 20th**. UMC celebrates the ministry and witness of laypersons everywhere through this special service on Laity Sunday.

We observe **Reformation Sunday on October 27th**. The themes of the Reformation remain the great themes and principles of our own faith today.

We remember others on "**All Saints Sunday**" on **November 3rd** we will honor those we have lost this year. Also, on **November 3rd** we will participate in "**Stewardship Sunday**." There will be refreshments /cafe after the last service. In October letters will go out along with pledge cards and we will collect these **11/3rd**.

Simplified Accountable Structure: *provided by Bobbi Placke*

We are looking at the possibility of changing our committee structures to a Simplified Accountable Structure. This is a decision that the *whole church* is involved in. Before changes occur there is a voting process to go through first.

We have formed a Discernment Team to look into the Why and How of making this change.

Those on the Discernment team are: Melanie Gladden, Beth Meadows, Cathy Piper, Bobbi Placke, Bette Smith, Carol Smith, and Dave Welday.

If you have any questions please ask one of the team and if we don't know the answer, we will find it out for you. If you have an interest in being part of the Discernment Team please let us know.

We also ask that all of the congregation keep the Discernment team, and whether this is a good move for our church in your prayers. We also ask you to listen to the needs you might hear in our community to see where Seville UMC might be able to use some of our strengths to help within our community.

WHAT A DIFFERENCE A DAY MAKES!

Fellowship Hall 9 16 24

In September, A Quality Facility Services came in to deep clean the floors in the Parlor, the kitchen, Fellow Ship Hall and the Opening Room downstairs. **Wow! What a difference it made!** Those of you who were able to come into the church the day after the floors were done were amazed at how great they looked. Stop in and see for yourself. **This was all possible due to the joint support from the Historical Society who shared in the costs to have the work done at the church.** We thank everyone involved. The church truly is a nice welcoming place for members and visitors.
